

## ANNOUNCING MORGANS OVER AMERICA VI- 2015

Experience North American History while driving your Morgan over scenic roads in the Eastern US and Canada. Join with Morganeers from America, UK and other countries on a 38 day journey through 14 states and 5 Canadian provinces.

The **Steve Roake Memorial Morgans Over America VI** will start about September 10, 2015, in Savannah, Georgia, and ending in Williamsburg/Norfolk West Virginia. It will include some of the roads and sites visited in Morgans Over America IV, with many new places to see and visit.

This adventure is being organized again by Ken Miles of the Morgan Sport Car Club of Canada, the Morgan Owners Group North West, and Elaine Fisher of the Morgan Sports Car Club of Northern California, and the Morgan Sports Car Club UK. Elaine and Ken organized MOA IV and V, with able assistance from UK Morganeers in shipping the vehicles to the US.

Steve Roake, in whose memory we are doing this trip, a long time member of the Morgan Sports Car Club of Northern California and many other antique car clubs, along with Jeremy Harrison and Keith Cox of the UK Morgan Clubs, organized the first three Morgans Over America Trips.

Mark your calendars, indicate your interest in the adventure, and follow along on our blog <http://morgansoveramericaVI.blogspot.com> for updates on the planning, with links to previous Morgans Over America websites.
