

SPRING MEETING 2018

# LUENEBURG

MAY 10<sup>TH</sup> - 13<sup>TH</sup> 2018

## DEAR MORGAN FRIENDS,

in 2018 the spring meeting will take us to the Lueneburger Heide - a unique natural park in northern Germany. A landscape with countless wild-romantic corners, cultural delicacies and of great historic significance, also the location of many exciting stories. Together, we will discover and visit carefully selected villages, monasteries and museums in our Moggis - with relaxing (a bit), sociable (much more) and culinary enriched (clearly the most welcome) breaks.

Our home for a long weekend from May 10<sup>th</sup> to 13<sup>th</sup> is centrally situated in the Hotel Seminaris in Lueneburg, one of the most beautiful small towns in northern Germany. The numerous old patrician houses in the wonderfully preserved historic core of the former salt and Hansestadt still testify to the wealth of the time and invite us with their many cafés, bistros, pubs and small shops in the old harbour district to an inspiring and pleasant visit.

As a modern University City Lueneburg combines tradition and history with the creativity and energy of young students. And should there be a fan of the telenovela „Red Roses“ among you (almost excluded, but who knows ;-): the picturesque old town is rich with film locations from your favourite monkey.

And for those who say: I want, I want, I want even more, we offer as an extension on

Sunday a special highlight: a visit to the Hamburg's harbour birthday festival – during the course of the day we have reserved a Morgan-adequate traditional sailing excursion exclusively for us, with which we will participate in the impressive final parade at the end of the harbour birthday festival. Surrounded by ocean giants, tugs, private ships, historical wooden sailing yachts and even more beautiful people like us.

In the name of the Nord section and the organization team, I would like to invite you!

Swing into your Moggis, grab the appropriate Togs and spend a couple of beautiful (guaranteed), adventurous (even more guaranteed!) Days with us along the banks of the river Elbe! We look forward to your numerous applications - the rooms are reserved and await your happy faces on their pillows.

# Program Friday

## CITYWALK AND SIGHTSEEING LUENEBURG

**11 am:** What's special about Lüneburg? It's that simple: it's the pulsating, young ambiente of a more than 1000 years old Hansetown, that kept it's medieval face until today. On this 2 hour walk around Lüneburg you'll see the most famous attractions. Afterwards you may have some snacks & drinks in style at the Brauhaus Krone – from which it's only some minutes walk back to our hotel.

## MUSEUM TOUR HARBURG

**11 am:** Tour along small side-roads through Elb wetlands to the Hafenumuseum Hamburg. A one hour tour through the museum with detailed information about the history and changes in the trade, shipbuilding and the shipping on the river Elbe in Hamburg: a perfect prelude for the (optional) yacht regatta of the Hafengeburtstag on Sunday.

*ca. 140 km*

## HEIDETOURESSARD

**11 am:** After a small detour along the eastern Elbuferstraße we are heading towards the Heidewald adjacent to Jesteburg, where, in Luellau, a small architectural gem is hidden – the Kunsttempel (temple of art) Bossard. There we will have a tour through an idyllic courtyard of the artist dorms, lunchbreak included. On the return to the hotel a little break for coffee alongside 60 lovingly refurbished classic & vintage cars.

*ca. 125 km*

## HEIDETOURESSERHATSCHER

**11 am:** From the Hansestadt Luebeck the Naturpark Lueneburger Heide stretches out into the countryside. But there aren't just the meadows, giving the Naturpark its unique charme. The reed roofed houses and protection deserving farms make the Naturpark Lueneburger Heide a diverse area. After that its through the Hasenburger Bachtal – Wilfsen – Undeloh – Welle, that we head to our final and main attraction: "ISERHATSCHER".

*ca. 135 km*

## BARN FEST

**7 pm:** After a coach ride you are met with a rural evening in an old barn surrounded by a circle of acquaintances – oh, what a coincidence! In an ethnic environment you will be treated to local cuisine, which hopefully will please your taste buds and of which you will gush about at home for a long time to come. Like you say in northern Germany: Denn man tau! (Let's do it!) Since there is more to come on the next day, there will be a coach transfer back to our hotel.

+++ all tours will of course include a small lunchbreak +++

# Program Saturday

## ELBAUEN TOUR [HITZACKER]

**9 am:** It's green. It's blossoming. It's full of life. "In the Wendland the nature can still unfold as it's used to – so can you" the regional marketing tells us. On this tour we give you an insight into the northern Wendland following the river Elbe. Let yourself be carried away by lovely nature and get excited by it's scenic landscape. WE ´re going to stop at the Hotel Waldfrieden for a much welcomed rest – the retour will be as lovely as the way to.

*ca. 140km*

## ELBAUEN TOUR [VIELANK]

**9 am:** Even the storks feel so comfy that they return to the Elbauen in masses every year. This region along the river Elbe has been entitled as UNESCO Biosphere-reservate in 1997 – and for good reason. A drive through this picturesque landscape is not to be missed. Not only the Rhine-people will get an insight to real northern brewing-arts, but everybody will enjoy this art at the Vielanker Brauhaus. Be impressed by the many views and beauty we will take you to.

*ca. 170km*

## CITYWALK & SIGHTSEEING LUENEBURG

**9 am:** On this sightseeing tour you'll learn a lot about the Hanse, the bourgeoisie and the breweries of this scenic town – exploring it by your own feet. You'll hear a lot about how the Hanse shaped the urban life and influences til today. Lueneburg even has a water quarter which you'll also explore, later looking down from the landmark Wasserturm. Back on terra firma you'll be free to get a drink at the Brauhaus Krone before returning to our Hotel.

## DINNER & DANCE IN THE HOTELS' BALLROOM

**19.00 Uhr:** We will all meet up again in the ballroom, chat about all we experienced over the last few days whilst being served with selected culinarian specialities before you'll have the chance to shake your legs & body encouraged by live music and –more or less- spiritual drinks with open end...

+++ all tours will of course include a small lunchbreak +++
